Location: Carrer Llull 51, 08005 Barcelona, Spain.
Company reference number: CIF B-65827826

Company description: PASSNFLY is a start-up company founded in 2012 based in central Barcelona, Spain.
PASSNFLY provides a digital solution for checking in to flights. It automatically checks in passengers to their preferred seat and sends the boarding pass to their phone. In this way, the passenger does not have to print out the paperwork, as the boarding pass can be displayed on their phone when they are arriving at the airport. Currently, we are cooperating with more than 200 airlines and still expanding.
We have start-up atmosphere, working as one big team, spending a lot of time together also after work. We have great integration meetings, watching movies or going to the beach. Always celebrating big occasions as Halloween, Christmas or Birthdays. Our team is young, dynamic and international. We are listening to the music in the office and laughing a lot. You will feel like a part of a big family.

Tasks of the internship include:
- Analytic tasks
- Elaboration of sub-tasks in the project.
- Diagramming, technical documentation
- Product improvement.
- Reporting.

Skills that we are looking for:

- OOP / AOP / TDD
- Python with flask / django
- good knowledge of APIS
- knowledge SQLAlchemy
- knowledge Celery
- SQL databases, i18n
- Cache systems memcached redis etc.
- RabbitMQ / zeroMQ / activeMQ etc.
- Linux and devops
- Development methodologies
- knowledge of Angular
- JavaScript

Skills that you must have:
- Ability to communicate technical issues to non-technical users.
- Ability to multi-task and manage tasks with varying priorities.
- Understanding technical issues.
- Ability to prepare technical documentation.
- Fluent English, both written and spoken.

Skills to be acquired:
- Communication skills (both verbal and written).
- Awareness of business development.
- Collaboration within a team.
- Research skills.
- IT skills.
- Excel skills.

Benefits
- Adventure in amazing Barcelona
- Interesting project
- Young and international team
- Experienced IT team, possibility to learn a lot
- Work in the team but also independently
- Weekly team events
- Every week meeting with manager to receive feedback on your work
- Professional development in dynamic company
- Fruits, snacks and drinks
- Office in the city center, close to the beach

If this appeals to you, please send an email to the following address; **olga@sast-mfa.com**. Please attach your CV and motivational letter and we will get back to you as soon as possible.
